MEMORANDUM FOR: Assistant for Public Affairs to the DCI
FROM: Director of Central Intelligence
SUBJECT: White House Correspondents Association Dinner

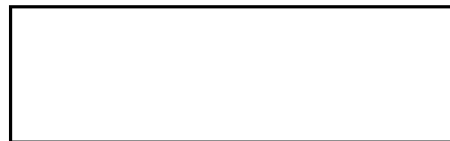

1. Debrief on my evening at the White House Correspondents Association dinner.

a. Saw Charley Corddry -- he indicated that he thought the Military Media Conference at the War College this year was a little sterile.

2. Talked with Barry Zorthian who indicated he wants to get me together with Shepley of Time.

3. Saw Dick Levine.

4. Talked with Bob Kleiman of The New York Times -- he does want to get together with me on one of his future trips to Washington. Al Horton of Scripps-Howard made a point of coming over to say hello. Saw Ed Prina. Noted that Bob Pierpoint was there. He did a very good TV piece on me and my family the day before the announcement of my nomination. We also got into a serious discussion during that filming of the problems of CIA and the use of newsmen. I told him I would like to sit down and talk to him about it sometime. We've never done that and perhaps should -- not at all an interview, just a discussion.

MEMORANDUM FOR: Legislative Counsel

FROM: Director of Central Intelligence

I went to the White House Correspondents Association dinner Saturday night. Several things came out of it of interest to you:

- a. I asked Representative Brademas if he'd be willing to come up for a breakfast or a luncheon with our China team. He indicated yes.
- b. I was seated for dinner at the same table with Representative Ullman and Senator Hatch. I wonder if it would be worthwhile calling on Ullman just as a courtesy measure. I suggested something like that to Hatch but he politely indicated that he was supportive of what we are doing and didn't need that.
